RESIDENCE HALL TOURS - SUMMER 2017

Nothing equals living on campus where students enjoy convenience and a sense of community. All University Housing residence halls are just a short walk away from classrooms, labs, libraries and sports facilities.

Check out the tour rooms in different halls located in each of our neighborhoods. These rooms are samples of the types of rooms offered in each area. Read more about each hall, including location, special features, and floor plans at HOUSING.ILLINOIS.EDU/UNDERGRADHALLS.

Each hall is a short walk from the Main Quad or feel free to hop on an MTD bus. 🚌

Walk-in housing tours take place between May 22 and August 4, Monday through Friday (excluding holidays and University breaks) from 1:00 - 4:00 p.m.
