RESIDENCE HALL TOURS

Nothing equals living on campus where students enjoy convenience and a sense of community. All University Housing residence halls are just a short walk away from classrooms, labs, libraries and sports facilities.

Check out one of five tour rooms in different halls located in each of our neighborhoods. Though we are showing five tour rooms, students can choose from 24 halls in different neighborhoods.

All halls are a short walk from the Main Quad, or feel free to hop on an MTD bus.

Walk-in housing tours take place Monday through Friday (excluding holidays and university breaks) from 2:00 - 4:00 p.m.
