Meet a Library Clerk!

We chatted with Giselle H., a junior majoring in English who works as a clerk at the Allen Library.

Q: What do you like best about working at the Res. Hall Libraries?

A: I like getting to meet and talk to patrons. The other day a patron came by looking for a DVD to check out and started recommending their favorite DVDs that they've checked out before. They're always so nice and give some helpful recommendations!

Q: What are you most excited about this year?

A: I am most excited for fall! I love the colder weather, the leaves changing color, and Halloween. There are so many fun events coming up in October and I have a long list of horror movies to watch like *The Shining* and the new Halloween movie (Psst...these can be found at Allen!)

Q: What are your favorite types of books and movies?

A: I love to read dystopian novels and watch rom-com movies. I am obsessed with *The Hunger Games*. Did you know Suzanne Collins is writing a prequel? I can't wait! My favorite rom-com is *10 Things I Hate About You*.

Q: What's something you want patrons to know about the Res. Hall Libraries?

A: I want patrons to know that even if they don't like to read, they can still love our libraries! Other than books, we also have a great selection of movies and board games. If that doesn't call their attention, we also have some nice spaces to study and do some work.
