RESIDENCE HALL TOURS - SUMMER 2018

Nothing equals living on campus where students enjoy convenience and a sense of community. All University Housing residence halls are just a short walk away from classrooms, labs, libraries, and sports facilities.

Check out the tour rooms in different halls located in each of our residential communities. These rooms are samples of the types of rooms offered in each area. Read more about each hall, including location, special features, and floor plans at HOUSING.ILLINOIS.EDU/UNDERGRADHALLS.

Each hall is a short walk from the Main Quad or feel free to hop on an MTD bus. 🚌

Walk-in housing tours take place between May 21 and August 3, Monday through Friday (excluding holidays and University breaks) from 1-4 p.m.

*The Housing Information Office is located inside Clark Hall
