(A spring-only contract costs half of the academic year rate.)

Note: Residential Fund Council (RFC) student government dues of \$16 per year are included in the rates above.

Please Note:

- Rates are pending approval by the Board of Trustees.
- **Constant Rate:** The room and board rates from the year you enter Housing will still apply in future years if you live with us continuously (up to 4 years). In the future, if you select a different room type or meal plan with University Housing, you will only pay the 2016-2017 rate for those choices. Because LLC fees are separate from the room and board rates, they are not subject to the constant rate program. *Residents who reassign to an LLC in years where the fee increases will see an increase in their total charge even though their room and board rate will remain constant.*
- **Traditional air-conditioned halls:** Blaisdell, Busey, Evans, Oglesby, Hopkins, Saunders, Scott, Snyder, Townsend, Trelease, Wardall, Weston
- **Living-Learning Communities:** a fee supports the co-curricular and extracurricular learning opportunities in these communities.
