WHAT WAS THE **BIGGEST MISCONCEPTION** YOU HAD ABOUT LIVING IN THE RESIDENCE HALLS?

"The food would be terrible, and I wouldn't want to spend time there at all. I expected to want to go somewhere else all the time. To my surprise, the people in my hall were polite, and the food was actually good. I was also fine with spending a whole weekend just relaxing in my room."

– Neha, Nugent Hall, Molecular & Cellular Biology

A room is just a room, until you put your personal touch on it! Make your room YOUR space. And if your decorating skills are top-notch, enter our annual [#FABPAD](#) contest and score some sweet prizes, too.
